

DESCRIPTION

Soil Guard's advanced formula treats carpets, drapery and upholstery to retard soil and static accumulation and prevent stubborn stains from setting into fibers. Treated fabrics retain their clean appearance longer, repel spills and stains more effectively, and reduce static accumulation. Soil Guard contains no solvents and has no noxious fumes or vapors, so special ventilation is not necessary during application.

DISPOSAL

Offer empty container for recycling. If recycling is not available, discard container in trash.

TOTAL SOLUTIONS®

RESILIENT FLOOR CARE

SOIL GUARD

Protects Carpets, Drapery
& Upholstery from Stains

- PREVENTS STATIC ACCUMULATION
- NO SPECIAL VENTILATION REQUIRED

KEEP OUT OF REACH OF CHILDREN

NET CONTENTS: One Gallon (128 fl. oz.)

Manufactured By: Total Solutions®
PO Box 240014 • Milwaukee, WI 53224 • 1-800-743-6417

DIRECTIONS

Before Applying Soil Guard: Thoroughly shampoo rug and upholstery. Follow with a hot water extraction to remove shampoo residues.

TO APPLY SOIL GUARD: Stir thoroughly before using. Spray half the solution in one direction, holding spray nozzle approximately 12 to 18 inches from the surface. Re-spray the remaining solution at a right angle to fully cover fabric fibers. Apply evenly over the entire area to be protected. Work into the fabric using a pile brush or shag rake. Use a damp cloth to wipe away over-spray.

NFPA® RATINGS

Health: 0; Flammability: 0; Reactivity: 0

CONTAINS/CAS NUMBER:

Water/7732-18-5; Perfluoroalkyl Acrylic Polymers/Proprietary;
Emulsifier/Proprietary; 2-methyl-2H-isothiazol-3-one; 2682-20-4;
1,2-benzisothiazol-3(2H)-one/2634-33-5
