

DESCRIPTION

This product does not mix with water allowing it to float on the surface of wastewater contained in the lift station. It will rise and fall with the level of wastewater to keep walls, pumps, hoses, etc. clean and functioning properly. The special soybean oil derivative does not evaporate as quickly as other solvents, so it remains on the surface of the wastewater longer to penetrate and dissolve wastewater deposits.

Avoid breathing vapours, mist. Contaminated work clothing must not be allowed out of the workplace. Wear protective gloves, eye protection, protective clothing. Take off contaminated clothing and wash it before reuse.

IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical advice/attention.

DISPOSAL

Dispose of contents/container to comply with local/regional/national/international regulations.

WARNING: This product contains, or may contain, trace quantities of a substance(s) known to the state of California to cause cancer and/or reproductive toxicity.

*For industrial and commercial use only.
For additional information, see Safety Data Sheet.*
