SHAKE WELL BEFORE USING

A powerful carpet stain and spot remover. Contains strong cleaners and degreasers to remove stains due to dirt, ink, grease, oil, mud, ketchup, urine, vomit, coffee, tea, alcoholic beverages, soft drinks and blood. Upside down spray valve allows easy application. Stream spray concentrates product on spots and stains without heavy overspray. This product quickly saturates materials for instant cleaning. Leaves no residue. Contains no solvents which might soften carpet backings. This product also contains an odor neutralizer which destroys odors due to urine, vomit and blood through oxidation catalysis. A pleasant fragrance remains.

USE PRECAUTIONS: Although this product will not harm most carpet fabrics, the carpet needs to be tested for color fastness prior to using. To test for color fastness, spray small area of carpet in a hidden or out of the way spot and let dry. If product discolors carpet, contact supplier before using. Do not use on white or light colored carpet. Do not oversaturate. Product could penetrate to backing and leave spotting. Blot up cleaner thoroughly after application leaving carpet dry. If can is cold, product will foam but this will not impede the effectiveness of the product. Do not use in combination with any other stain or odor removing chemical(s).

NOTE: This product was specifically designed to remove stains and spots from carpet. Use on any other type of material such as upholstery fabric, curtains or clothing will NOT be warranted by the manufacturer.

DIRECTIONS FOR USE: Can sprays upside down only. Remove protective cap. Shake well. Hold can upside down. Point opening in spray tip towards spot or stain. Depress the tab on the top of the spray tip to spray. Hold can at arm's length. It is not necessary to bend down to apply this product. Apply in short bursts until spot or stain is covered. Allow a short period of time for spotter to penetrate stain. Blot spot with a clean cloth working from center of stain out. Stain or spot will be gone in seconds. Excessive deposits of grease, oil or ink may require additional applications. Wait until material is dry before reapplying.

MODO DE EMPLEO: El bote se usa hacia abajo únicamente. Remueva la tapa protectora, agítese bien. Póngalo hacia abajo. Apunte el aplicador hacia la mancha. Presione el aplicador. Mantenga el bote a la altura de la mano. No es

necesario agacharse. Aplique poco a poco hasta que la mancha este cubierta. Permita un corto tiempo para que el producto actúe. Limpie con un trapo del centro hacia afuera. La mancha se removerá en segundos. Depósitos de grasa, aceite o tinta pueden necesitar más de una aplicación. Permita que la alfombra se seque antes de volver a aplicar. No se use en alfombras blancas o de colores ligeros.

WARNING: Contains gas under pressure; may explode if heated. Causes eye irritation. Keep away from heat, sparks, open flames, and hot surfaces. -No smoking. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Wash hands thoroughly after handling. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention.

ADVERTENCIA: Contiene gas a presión; puede explotar si se calienta. Causa irritación de los ojos. Mantenga lejos de calor, chispas, llamas abiertas, y superficies calientes. -No fumar. Envase presurizado: No perforo ni queme, incluso después de usar. Proteja de la luz solar. No exponga a temperaturas que excedan 50°C/122°F. Almacene en un lugar bien-ventilada. Lávese bien las manos después de manipular. Si cae en los ojos; Enjuague cuidadosamente con agua durante varios minutos. Remueva lentes de contacto, si están presentes y fáciles de remover. Continúe enjuagando. Si persiste la irritación ocular: Consulte con un medico.

CONTAINS (CAS#): Water (7732-18-5), 2-Butoxyethanol (111-76-2), Propane/n-Butane (68476-86-8), Isopropyl Alcohol (67-63-0), Nonionic Surfactant (127087-87-0).
