Technical Data Report

GRIP

THICK PHOSPHORIC ACID

DESCRIPTION

GRIP is a phosphoric acid based USDA authorized tile, porcelain, fiberglass and toilet bowl cleaner. Descalers, delimes and removes rust, stains, hard water deposits and metallic soap scums. Safe on chrome. Excellent brass, bronze and copper cleaner. Thick clinging action assists in easy removal of undesirable stains and deposits eliminating the need for abrasive cleaners. Pleasantly scented, deodorizes as it cleans.

APPLICATIONS

For use on tile, sinks, shower stalls, formica, toilet bowls, steam tables, counter tops, drinking fountains, swimming pools and cooking kettles. Areas of use include restaurants, hotels/motels, schools, hospitals, offices, clubhouses and apartment complexes.

FEATURES & BENEFITS

- Rapidly removes dirt, soap scum, scale, lime, rust and hard water deposits, eliminating the need for scrubbing
- Thick clinging formula stays on vertical surfaces, allowing time to penetrate soils
- Pleasant cherry fragrance

SPECIFICATIONS

FORM: Thick Liquid
ODOR: Cherry
COLOR: Light Pink
DETERGENCY: Strong
TOXICITY: 1 mg / m³
WETTING ABILITY: Excellent
STORAGE STABILITY: 1 Year +
COLD STABILITY: 32°F
PHOSPHATES: <10%

FLASH POINT: Not Tested
BOILING POINT: 212°F +
SOLUBILITY IN WATER: 100%
SPECIFIC GRAVITY: 1.10
% VOLATILE BY VOLUME: 75%
pH: 1
VISCOSITY: Thick
EVAPORATION RATE: Slow
BIODEGRADABILITY: Yes

LABEL INFORMATION

GRIP THICK PHOSPHORIC ACID

GRIP is designed to descale, delime, clean and remove rust, clean and deodorize toilet bowls and urinals. The thick clinging action assists in the easy removal of undesirable stains and deposits eliminating the need for abrasive cleaners. Pleasantly scented. Deodorizes as it cleans. For use on brass, bronze, copper, fiberglass, ceramic tile, steam tables, shower stalls, cooking kettles, drinking fountains, swimming pool walls and tile, bed pans, sterilizers and coffee urns.

DIRECTIONS: TOILET BOWLS AND URINALS: Flush out water and apply Grip directly. Swab entire bowl with solution, making sure to include under and around rim. Flush bowl and apply 2 to 4 ounces in water; allow to remain in bowl for continued deodorizing action.

RUST AND HARD WATER STAINS: For sinks, bathtubs and wash basins, apply with cloth and rinse with cold water.

METALLIC SOAP BUILD UP AND STAINS: For tile floors, walls, shower stalls, drinking fountains, and swimming pools, add four to five ounces Grip per gallon of water. Rinse well.

DANGER: Causes severe skin burns and eye damage. May be corrosive to metals.

Do not breathe mists. Wash hands thoroughly after handling. Wear protective gloves and eye protection. If swallowed: Rinse mouth. Do NOT induce vomiting. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water or shower. Wash contaminated clothing before reuse. If inhaled: Remove person to fresh air and keep comfortable for breathing. Immediately call a poison center or doctor. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Store locked up. Dispose of contents and container in accordance with local, state, and national regulations. Keep only in original container. Absorb spillage to prevent material damage. Store in a corrosive resistant container with a resistant inner liner.

CONTAINS (CAS #): Water (7732-18-5), Phosphoric Acid (7664-38-2).
