### LABEL INFORMATION

**PROWLER**  
**LICE KILLER**

DO NOT APPLY DIRECTLY TO HUMAN OR PET HAIR OR SKIN. Use only on textiles, clothing, rugs, flooring, and hard and soft surfaces.

**DIRECTIONS:** Do NOT use on people. This product is intended for household use only. If you or a member of your household is suffering from lice infestation, use topical **DEEP SIX Lice Treatment Spray**. Shake Well Before Use.

Hold nozzle back 30 inches from surfaces. Spray as a mist on pillows, pillow cases, sheets, bedding, scarfs, stuffed animals, any and all other household items that may have come into contact with an infected person. DO NOT saturate. Allow to air dry. Where possible, machine wash household items and dry at high temperature for 25 minutes. Repeat in 7-10 days to kill any newly hatched lice. DO NOT spray into eyes or mouth.

### KEEP OUT OF REACH OF CHILDREN

**FIRST AID TREATMENT:** Avoid eye contact. If eye contact occurs, rinse thoroughly with water for 15 minutes. If irritation persists, seek medical attention. Do not ingest. May cause gastrointestinal irritation with nausea and diarrhea.

**Limitation of Liability:** QuestSpecialty Corporation makes no warranties of merchantability, or of fitness for a particular purpose, nor any other express or implied warranty except as stated above. Buyer assumes all responsibility for safety and use not in accordance with label and "User guide for Use" and precautionary statements.

This product has not been registered by the United States Environmental Protection Agency. QuestSpecialty Corporation represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA) and is in accord with USDA 21 CFR 178.3400 and/or found on GRAS list, Parts 170 to 199 as containing exempt food grade proteins.

**STORAGE:** Store at room temperature. Avoid exposure to heat and direct sunlight. DO NOT FREEZE. Do not store at a temperature greater than 140°F.
