Electro-Clean

**Energized Electrical
Equipment Cleaner**

Limpiador para de Energía Equipo Eléctrico

Non-Flammable • Non-Conductive
29,000 Volt Dielectric
Contains No Oil • Leaves No Film
VOC Compliant in All States

DANGER/PELIGRO:
CONTAINS GAS UNDER PRESSURE;
MAY EXPLODE IF HEATED.
CONTIENE GAS A PRESIÓN;
PUEDÉ EXPLOTAR SI SE CALIENTA.

NET WT. 16 OZ. (454 g)

ELECTRO-CLEAN is a highly concentrated solvent designed to remove dirt, grease, oil and grime from energized electrical equipment such as electric motors, armatures, relays, electric panels, generators and similar equipment. This product is non-flammable and non-conductive to 29,000 volts making it safe for use on electrical equipment while still in use. Quick dry time means relubrication of parts can be done shortly after cleaning. Dries residue free and is corrosion inhibited for protection of all surfaces. Does not contain any ozone depleting chemicals. Cleaning is quick and simple without the danger of injury to working parts. Ideally suited for use on electric motors even while running, electrical equipment, generators, power tools, etc. Also use on air conditioning, refrigeration and all types of HVAC mechanical equipment. This product is authorized by USDA for use in federally inspected meat and poultry plants.

Energized equipment use only. Not to be used for motorized vehicle maintenance or their parts.

NOTE: Do not use on automatic electronic process control or monitoring systems, computers or data processing equipment. May affect certain plastics. Test before using.

DIRECTIONS: Remove cap and spray generously over the surface to be cleaned until completely wet. Allow the solvent to set for a minute, then wipe or rinse off with a second spray. On heavily encrusted areas use a brush. Product is non-flammable and non-conductive so it can be used while motors and equipment are operating.

MODO DE EMPLEO: Remueva la tapa protectora y rocíe generosamente sobre la superficie hasta estar completamente húmeda. Permita que el solvente se asiente por un minuto y limpie o enjuague con un segundo rocío. Para áreas muy incrustada, use un cepillo. Este producto no es inflamable o conductivo y puede ser usado en motores y equipo mientras están operando.

DANGER: Contains gas under pressure; may explode if heated. Causes skin and serious eye irritation. May cause cancer. May cause drowsiness or dizziness. Suspected of causing genetic defects. Keep away from heat, sparks, open flames, and hot surfaces. -No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Wash hands thoroughly after handling. Wear protective gloves, eye protection and protective clothing. If on skin: Wash with plenty of water. If skin irritation occurs: Get medical attention. Take off contaminated clothing and wash before reuse. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. If swallowed: Immediately call a poison center or doctor. Do NOT induce vomiting. Store locked up. Dispose of contents and container in accordance with local, state, and national regulations. Obtain special instructions before use. Do

not handle until all safety precautions have been read and understood. If exposed or concerned: Get medical attention. Avoid breathing fumes, mist, vapors, and spray. Use only outdoors or in a well-ventilated area. If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a poison center or doctor if you feel unwell.

PELIGRO: Contiene gas a presión; Puede explotar si se calienta. Causa irritación de la piel y ocular grave. Puede causar cáncer. Puede causar somnolencia o mareos. Se sospecha que causa defectos genéticos.

Mantenga lejos de calor, chispas, llamas abiertas, y superficies calientes. -No fumar. No pulverice en llamas abiertas u otra fuente de ignición. Envase presurizado: No perforo ni queme, incluso después de usar. Proteja de la luz solar. No exponga a temperaturas que excedan 50°C/122°F. Almacene en un lugar bien-ventilada. Lávese bien las manos después de manipular. Use guantes protectores, protección para los ojos y ropa de protección. Si en la piel: Lave con bastante agua. Si irritación en la piel ocurre: Obtenga atención médica. Remueva la ropa contaminada lávela antes de utilizar. Si cae en los ojos: Enjuague cuidadosamente con agua durante varios minutos. Remueva lentes de contacto, si están presentes y fáciles de remover. Continúe enjuagando. Si persiste la irritación ocular: Consulte con un médico. Si se ingiere: Llame inmediatamente a un centro de control de venenos. NO induzca vomito. Almacene bajo llaves. Elimine el contenido y envase de acuerdo con las ordenanzas locales, estatales, y reglamentos nacionales. Obtenga instrucciones especiales antes de utilizar. No manipule antes de haber leído y comprendido todas las precauciones de seguridad. Si ha sido expuesto o preocupado: Obtenga atención médica. Evite respirar el humo, niebla, vapores y rocío. Utilice únicamente en el exterior o en un lugar bien ventilado. Si se inhala: Remueva la persona al aire fresco y mantenga cómoda para respirar. Llame al un centro de control de venenos o a un médico si se encuentra mal.

Warning: This product contains chemical(s) known to the State of California to cause cancer.

Advertencia: Este producto contiene químico(s) conocidos en el estado de California por causar cáncer.

CONTAINS (CAS#): Trichloroethylene (79-01-6), Carbon Dioxide (124-38-9), Tetrachloroethylene (127-18-4).

HMS RATINGS: Health - 2, Flammability - 1, Reactivity - 0, Personal - C.
