MAIN EVENT is a water-based foaming degreaser that is safe on food contact surfaces and suitable for use in food handling and processing areas. Removes fats, oils, cooking grease, and protein residues from all washable surfaces in kitchens and food processing areas. Great for cleaning ceramic tile, concrete, terazzo, tables, equipment, walls and more. The unique formula eliminates oxidation odors and clings to vertical surfaces, making clean-up fast and efficient. Safe on plexiglas, formica, aluminum, stainless steel, painted metals, glass and plastics. Removes heavy accumulations of grease from chains & cables, industrial parts and manufacturing equipment. NSF rated A1.

GREAT FOR REMOVING GREASE AND OIL FROM: Washable surfaces in kitchens and food handling and processing areas, industrial parts, conveyors, gears, moving parts, chains, pulleys, wire ropes, etc. **FOR USE IN:** Food preparation areas, food packaging areas and other industrial workplace environments.

DIRECTIONS: Shake well before use. Apply from a distance of 6–12 inches. Allow several seconds for product to penetrate grease and soil before wiping clean. Once clean, thoroughly rinse all treated food contact surfaces with clean, potable water and wipe dry with a clean cloth or towel. Repeat if necessary. For use on cold surfaces.

MODO DE EMPLEO: Agitar bien antes de usar. Aplicar desde una distancia de 6 a 12 pulgadas. Rocíe libremente la superficie que se va a limpiar. Espere varios segundos para que el producto penetre la grasa y sedimento antes de limpiar. Una vez limpio, enjuagar a fondo todas las superficies que entran en contacto con los alimentos tratados con agua limpia potable y séquelo con un paño limpio o una toalla. Repetir si es necesario. Para el uso en superficies frías.

WARNING: Contains gas under pressure; may explode if heated. Keep away from heat, sparks, open flames, and hot surfaces. —No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place.

ADVERTENCIA: Contiene gas a presión; Puede explotar si se calienta. Mantenga lejos de calor, chispas, llamas abiertas, y superficies calientes. —No fumar. No pulverizar sobre una llama abierta u otras fuentes de ignición. Envase presurizado: No perforo ni queme, incluso después de usar. Proteja de la luz solar. No exponga a temperaturas que excedan 50°C/122°F. Almacene en un lugar bien-ventilada.

CONTAINS (CAS#): Water (7732-18-5), Propane/n-Butane (68476-86-8), Propylene Glycol (57-55-6), Glycerine (56-81-5).
