COPPERHEAD is a powerful, thick clinging foam which removes dirt, lint and grease from air conditioner and heater coil fins. Portable aerosol features a strong directional spray which helps force foam into coil air spaces. Water-based foam creates no harsh vapors and leaves a fresh citrus scent. No rinsing required on evaporator coils or any other surface where condensation causes a rinsing action.

SAFELY REMOVES:

Stains, Grease, Dirt, Organic Debris and Odor

USE ON:

Air Conditioners, Heater Pumps,
Refrigerators, Ventilators, Ice Machines,
Commercial Hand Dryers

DIRECTIONS: Shake frequently during use. Before using, protect all electrical equipment and parts with plastic or aluminum wrap. Spray area thoroughly with penetrating and holding foam. Foam breakdown and dirt absorption indicate when surface is ready to be flushed clean. For stubborn build-up a repeat application may be necessary.

INSTRUCCIONES: Agite bien antes de usar. Antes de usar, proteja todo el equipo electrónico y piezas con plástico y envuélvalo con aluminio. Rocíe el área bien con aceite penetrante y espuma. El quebramiento de espuma y absorción de sucio indica cuando la superficie está lista para ser enjuagado. Para acumulación terca de sucio una repetición de aplicación puede ser necesaria.

WARNING: Flammable Aerosol. Contains gas under pressure; may explode if heated. Causes eye irritation.

Keep away from heat, sparks, open flames, and hot surfaces. —No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use.

Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Wash hands thoroughly after handling. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention.

ADVERTENCIA: Aerosol Inflamable. Contiene gas a presión; Puede explotar si se calienta. Causa irritación de los ojos.

Mantenga lejos de calor, chispas, llamas abiertas, y superficies calientes. —No fumar. No pulverice en llamas abiertas u otra fuente de ignición. En-vase presurizado: No perforo ni queme, incluso después de usar. Proteja de la luz solar. No exponga a temperaturas que excedan 50°C/122°F. Almacene en un lugar bien-ventilada. Lávese bien las manos después de manipular. Si cae en los ojos; Enjuague cuidadosamente con agua durante varios minutos. Remueva lentes de contacto, si están presentes y fáciles de remover. Continúe enjuagando. Si persiste la irritación ocular: Consulte con un medico.

CONTAINS (CAS#): Water (7732-18-5), Propane/n-Butane(68476-86-8), 1,8-p-Menthadiene(5989-27-5), Dodecylbenzene Sulfonic Acid (27176-87-0), Alcohol Ethoxylate (68439-46-3).

HMIS RATING: Health - 2; Flammability - 1; Reactivity - 0; Personal - B.
