HAND CLEANING TOWELS

**For The Really Tough Jobs
Use on Hands, Tools, Equipment & More**

**Contains Aloe Vera, Glycerin, Vitamin E, Jojoba,
Wheat Germ Extract and an Antiseptic Agent**

Contains: 90 Premoistened Towels

INDUSTRIAL GRADE HAND CLEANER

Convenient hand cleaner/towel combination eliminates the need for water and towels. The hand cleaner formula removes grease, tar, ink, paint and many other hard to remove soils. It conditions hands with glycerin, aloe vera, jojoba, vitamin E and wheat germ extract and contains an antiseptic agent. It is solvent free and VOC free. In addition to hands, clean up spills, drips and splatters from most all nonporous surfaces like tools, equipment and more. The heavy-duty towel absorbs soils from your hands and other surfaces and keeps them suspended for easy removal. (U.S. patent no. 4,775,582)

DIRECTIONS:

FOR DISPENSING, remove container cover and thread one towel from center of roll through the pre-cut slot. Replace cover. Pull towels out at an angle to dispense. Always close lid tightly after use and store at room temperature.

FOR USE, wipe hands or other surface to be cleaned completely and dispose of the wipe in proper manner.

CAUTION: Always check surface for compatibility prior to use. Not recommended for use as a window cleaner.

CONTAINS (CAS#): Alcohol Ethoxylate (34398-01-1), Ethoxylated Amine (68478-95-5), Amine Oxide (68478-65-9), Aodium Xylene Sulfonate (1300-72-7), Water (7732-18-5), Isopropyl Myrisate, Glycerin, Kojoba, Aloe Vera, Vitamin E, Wheat Germ Extract, preservatives and fragrances.

CAUTION:

KEEP OUT OF REACH OF CHILDREN. For external use only. Causes eye irritation. In case of eye contact, flush with water for 15 minutes. Call physician if irritation persists.

HMIS Rating: Health - 1, Flammability - 1, Reactivity - 0, Personal - A.
