DESCRIPTION

This oil based product formulation attracts dust and dirt to mops and cloths. The effect of the chemicals increases the dust catching capabilities and eliminates flying dust and resettling. Heavy lint on a mop or cloth can be shaken or washed out.

Use on finished resilient asphalt, vinyl, rubber and linoleum floors. A routine program will extend the life of the floor finish and help maintain the gloss.

DIRECTIONS

Hold dispenser upright 6-8 inches from mop or cloth. Spray a light mist directly on mop or cloth. Allow treatment to penetrate then dust or mop as usual, reapplying when needed. For best results, treat dust mops overnight. Shake out lint and clean mop or cloth in washing machine when finished. Retreat after washing.

Cautions: Use with adequate ventilation. Intentional misuse by concentrating and inhaling the product can be harmful or fatal.

KEEP OUT OF REACH OF CHILDREN.
